

IMPORTANT ADDITIONAL RV PARKING INFO!

RV Parking Reservations open for the Winter Wonderland Cluster on August 10, 2026.

The Cluster strongly recommends you make your reservations as early as possible. Should you need to cancel the Fairgrounds will refund your money.

The Cluster along with the Grounds begin assigning spots on October 23, 2026. **Please include in the remarks section, the length of your RV and anything else we need to know.**

We take them in order of the date the Reservation is made. However, we do have sites that are used for Handlers with a large number of dogs. ALL RV spots on the Fairgrounds are considered by law to be Handicapped Accessible! We will do our best to take into consideration any special needs someone may have, but NO GUARANTEES!

We do our very best to honor requests, however due to limited 50 Amp spots, sometimes we just cannot. We will always try to get you as close to your requested spot as possible, there are no guarantees. If you are only going to be here for Tuesday and Wednesday, or Thursday – Monday, we may not be able to give you the spot you desire, unless we can make it work. Folks that are here for the entire Cluster are given priority.

We do not have a crystal ball and cannot, “just know” that you will be coming. So please make your reservation early.

If you wait until the last minute, your spot will reflect that timing. Please remember we are all volunteers and are trying to do the best we possibly can to make sure you enjoy our Cluster. Please be kind to the Park staff and to our Volunteers.
